Today, CEO Ashley Wentworth and Management of Stormsrivier Adventures Pty Ltd. announced their immediate closure with effect from 24 March 2020. The company has faced many challenges in its 22 years of operation but never something to this extent of the COVID19 pandemic. The health and safety of our staff, families, guests and valued tourism partners are very important to us, thus, this the decision to close operations temporarily.

Stormsrivier Adventures will then be suspending operations on the following services/activities - Tsitsikamma Canopy Tour, Woodcutters Journey, Guided Hikes, Teambuilding and both its Information Centers will be closed during this time.

We will continue to closely monitor this evolving situation and remain in contact with our industry partners regarding the way forward and will re-evaluate as needed.

This too shall pass, and we should remember that difficult times, are not there to destroy us but we should use this time to re-invent ourselves and work on strategies to pioneer.
